

## Winter Works Plan Outlined In Government Letter

(Following is a letter received by the Town of Didsbury re Winter Works projects. We quote):

**Terms of the Offer**

1. As an incentive to encourage municipalities to create more job opportunities through needed public projects which would not otherwise be undertaken this winter, the Canadian government and the Government of the Province of Alberta, will reimburse each municipality three-quarters of the direct payroll costs of the municipality or its contractors or sub-contractors during the period December 1, 1958 to April 30, 1959, on accepted winter works projects within the scope of the plan. The federal government's reimbursement will amount to 80% of the direct payroll cost and the provincial government's reimbursement will be a further 25%.

2. Winter works projects, it will be understood for the purpose of this program, will be confined to those projects falling within the categories set out in number 3 below, which would not normally be undertaken during the winter months and are designed to create additional employment during this period of the year. They will include:

(a) Needed public projects municipalities have had in mind undertaking some time in the future which can be undertaken this winter.

(b) New projects which can be carried out this winter.

(c) Additional work on existing projects over and above the work which would have been carried out in any event this winter.

3. The categories of works projects to be covered, subject to acceptance of each winter works project, are:

(a) The construction and major reconstruction of streets, sidewalks, roads, other than arterial roads.

(b) The construction and major reconstruction of water, sewage and storm sewage facilities not including buildings.

(c) The construction and development of municipal parks, but not including school playgrounds.

The cost of major buildings and structures, as well as maintenance and supervisory costs, cannot be included. The construction and

### MERCHANTS ANNOUNCE YULE SHOPPING HOURS

At a recent meeting of the Didsbury and District Board of Trade, the following hours were decided on, to be effective during the upcoming holiday season.

Monday, Dec. 22: 9 a.m. to 9 a.m.  
Tuesday, Dec. 23: 9 a.m. to 9 p.m.  
Wednesday, Dec. 24: 9 a.m. to 6 p.m.  
Thursday, Dec. 25: Closed.  
Friday, Dec. 26: Closed.  
Saturday, Dec. 27: 9 a.m. to 6 p.m.  
Monday, Dec. 29: 9 a.m. to 6 p.m.  
Tuesday, Dec. 30: 9 a.m. to 6 p.m.  
Wednesday, Dec. 31: 9 a.m. to 12 Noon.  
Thursday, Jan. 1: Closed.  
Friday, Jan. 2: 9 a.m. to 6 p.m.  
Saturday, Jan. 3: 9 a.m. to 6 p.m.  
Following this date stores will close at 6 p.m. on Saturday nights until further notice.

**Flooding of outdoor rinks is a normal winter activity and is therefore excluded. It is permissible to include the cost of small shelters, lavatory facilities, picnic tables and benches and parking facilities, if these facilities are provided in connection with the construction of municipal parks and playgrounds, as outlined in section 3(c).**

4. The bulk of those employed must be unemployed at the time they are hired. In this way the employed created will benefit those most in need.

5. The facilities of the National Employment Service where available will be used in hiring workers to be employed on accepted projects.

6. Reliance will be placed on the provincial government to ensure that going wage rates will apply on these winter works projects.

7. Payments to year-round employees of municipalities will not be included as part of the direct payroll costs incurred for accepted winter works projects.

8. Preference is to be given to those projects providing the greatest amount of employment.

Muscular dystrophy victim Kirk Clouthier, 5, shows his picture to Captain Donald Gordon. Peter is being used during 1958 March for Muscular Dystrophy which, since 1954, has had strong support of Canadian fire fighters. (Photo by Jean Gairford Merrill.)

## You To Can Help !!!

During the next few weeks, as shoppers and business people make their daily rounds they will be seeing a new face. This is the face of Kirk Clouthier, a four-year old victim of muscular dystrophy. The boy has been chosen by The Muscular Dystrophy Association of Canada to appear on campaign posters and calendar cards. The calendars are plastic house-shaped piggy banks which are fixed and display cards using the public to contribute money to the fight against muscular dystrophy. The calendars have been placed at strategic locations by local fire departments and MDAC representatives. For several years the fire de-

partments of Canada have been making a major contribution to the fund-raising efforts of MDAC. They have the strong sanction of the International Association of Fire Fighters which has now pledged its support until a cure is found for the disease.

Muscular Dystrophy has so far resisted all attempts by medical science to determine its cause and find a cure, but with the additional \$300,000 with which MDAC plans to maintain and expand its research, it is felt that like polio and tuberculosis it must ultimately crumble before the onslaught of determined research efforts.

## South West Didsbury

(From Our Own Correspondent)

Best wishes from the district to Mrs. J. L. Tuggle, who is a patient in the Didsbury hospital.

Mr. and Mrs. Lynn Hunsperger and family, accompanied by Miss Grace Hunsperger, were Calgary visitors on Saturday.

Mr. and Mrs. Ez. Doppel and Donna motored to Three Hills on Thursday to visit with Mr. and Mrs. W. Farmer and family, the occasion being Maria's 3rd birthday.

Mrs. H. Polkman, accompanied by Mr. and Mrs. Fred Befus to Calgary on Friday, the latter visiting with Mrs. Befus Sr., who is a patient in the Calgary General hospital.

Mr. and Mrs. Cecil Weber and family and Mr. and Mrs. Don Weber and family visited on Sunday with Mr. and Mrs. V. Sherrick in Didsbury.

Mr. and Mrs. Alex Befus and family of Springfield, Ore., spent the weekend at the F. Befus home.

Mr. J. O'Brien of Edmonton visited with Mr. and Mrs. George Meyer and other relatives last week.

## Hockey Club Wins First League Game

(From Our Own Correspondent)

Didsbury Ramblers, last-season winners of the Chinook League hockey trophy, got off to a good start in the new season on Tuesday night in Red Deer, when they won going away in a game with the northern city's entry.

No period scores are available but it is known here that going in to the final 55 seconds of play, Ramblers led by one goal, the score was 2-1 at that time, when the final whistle blew the score was 6-2. Working for awhile on an empty net, after being hemmed in by their own and again, the Didsbury team broke loose and hammered in three fast goals to tie down the victory.

Scoring was fairly evenly divided amongst the town team with goals being to Irwin D., Devine, K. McGeay, M. McGeay and B. Neufeld. Don Irwin drew the heaviest penalty of the game when he was wadded off for 10 minutes for talking back to the officials.

The Ramblers now have 3 home games coming up before they hit the road again; they will perform

## Division Voters Approve School Building Program

Following is the unofficial count of the vote taken Monday within the Olds School Division on the proposed building program:

For	Against
May City	1
Mayton	0
Poplar Creek	1
Reed Ranch	0
Betchen	0
Bennett	3
Lone Pine	2
Sams	4
Huntcliff	4
Didsbury	98
Midway	21
Davies	8
New Bergholm	1
Carstairs	95
Hainstock	26
West Hope	4
Waterloo	17
Cremona	69
Water Valley	2
Orshan	2
Pullen Timber	4
Elkton	7
Westcott	7
Bearberry	10
McDougal Flat	3
Bergen	11
Sundre W.I. Hall	149
Sangro	16
Harmattan	6
Westward Ho	6
Eagle Valley	23

Total vote amounted to 629 for the new plan with 346 dissenters. There were 12 spoiled ballots.

## YOUTH GROUP TO PRESENT CHRISTMAS PAGEANT

On Sunday, Dec. 14th, at 7:30 p.m., the children of the Junior choir of Knox United church, and the Sunday school, will present a pageant and carol service based on the Christmas scripture. The choir is directed by Mrs. Neil McKay and the pageant by Mrs. A. Allen. The narration and a number of other items will be done by members of the young people of the H-C group.

## SHOPPING CARNIVAL ENDS THIS WEEKEND

The shopping carnival, sponsored by the Didsbury and District Board of Trade, will end at 9 p.m. on Saturday night. The merchants who have taken part in this event are asked to have their ticket boxes at the Didsbury Theatre before 9:30 p.m. on Saturday so the draw may so through as scheduled.

## Farewell Party For District Family

Approximately 135 friends and neighbors gathered at Lone Pine hall on November 28th, to bid farewell to Mr. and Mrs. Orvel Schneider and family. Following a short program, Mrs. Jack Underhag presented Mrs. Schneider with a table lamp on behalf of the Lone Pine W.I. Mr. Fred Metz presented the family with an occasional rocking chair, a pop-up toaster and a purse of money. Mr. Phil brought greetings from the Torrington friends and Mrs. Ada Dundas spoke on behalf of Allingham.

The Schneiders have resided in the east district for the past 12 years and have now taken up residence in Torrington where Orvel is employed by a grain company. They were active in many community activities, being members of the Allingham Community Assoc. and the local F.U.A. Orvel was a member of the Lone Pine hall board and Irene was secretary-treasurer of Lone Pine W.I. this year. Bonnie was a member of the Midway Cubs and Patsy a member of the Lone Pine Orioles.

It is with regrets that we say good-bye to the Schneiders, but the best wishes of the community goes with them.

## SPRINGSDALE NOTES

(From Our Own Correspondent)

A speedy recovery is wished for Mrs. A. Chamberlain, who underwent surgery this week.

There will be a social party at Springdale this Friday, Dec. 12.

There were six tables in play at the last card party at Springdale. First prize winners were Mrs. Clarence Roth, Jim Peterson, Mary Collins and Mrs. MacDonald. Consolation prizes went to Bill Collinge and Irvin Klink.

At the last meeting of the Ladies' Group, held at the home of Mrs. Lawrence Chandler, there were nine members and three visitors present. Plans were discussed for a Christmas party on Dec. 19. Christmas parcels were exchanged.

Mr. Jim Peterson is in Edmonton this week attending the F.U.A. convention.

Mr. and Mrs. Bill Collinge, Elizabeth and Wayne, attended the Christmas of the Robert McGeay at Acme on Sunday. They all went on to Dr. and Mrs. Hayes of Three Hills for supper.

## TODAY'S CHUCKLE...

Many doctors pay their grocery bill with the money of folks who have eaten too much.

## Farmers' Bonspiel Starts Today

The district Farmers' Bonspiel which was scheduled to start on Wednesday, was postponed for one day and is now rescheduled to start this morning (Thursday). The annual banquet will be held in the school auditorium, commencing at 6:30 on Friday evening.

Last reports have it that approximately 24 rinks will be in play during the two-day "spiel".

## Kin Korner

The dance which had been scheduled for December 19th, has been cancelled as no orchestra was available that night.

Remember "Kids Day" on Saturday, Dec. 20th - free treats and a five show for the wee ones.

You can still become a member of the "400 Club" by contacting any member of the Kinsmen Club.

## CIVIL DEFENCE FIRE PUMPER

William J. Barnall, Director of Civil Defence, for the Municipal District of Mountain View No. 49, advises that the Civil Defence Headquarters has allocated one Civil Defence Fire Pumper for the winter season.

Mr. Barnall states that the pumper will be stationed at the municipal shop at Carstairs under the jurisdiction of the Chief of Civil Defence Fire Services, R. L. Mills and Theo. Himmelsreich, chief of the civil defence rescue services.

It is intended to conduct courses of instruction on the care and operation of this fire fighting equipment during the winter for all municipal employees.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. and Mrs. A. Reist have just returned from a holiday trip which took them to Pelasque, Mich. and the lower peninsula of Michigan.

Louis Reist is around again after a three-week session with the mumps. Joe Reist and Cecil Buschart assisted with chores while Louis was ill.

Mrs. A. Oppen returned from the Olds hospital last Wednesday and is convalescing at her home.

Mr. A. Walldroff left Monday to attend the F.U.A. convention which is being held in Edmonton this week.

Rev. and Mrs. K. Wood and family of Sundre were Friday evening supper guests of Mr. and Mrs. A. Walldroff.

A military unit is planned for the Community Centre on Wednesday evening, Dec. 10th, with Mrs. Bill Emms as hostess.

## MOUNTAIN VIEW

(From Our Own Correspondent)

Mr. and Mrs. Doug Gooding were Calgary visitors on Friday. In the evening they attended the Home and Piffeld Christmas party as guests of Mr. and Mrs. Jack Freeman.

Mr. Art Gooding left Monday to attend the Farmers' Union convention in Edmonton as official delegate for Local 1009.

Mr. and Mrs. Henry Penner and family and Mr. and Mrs. Charles Snyder and family were Sunday dinner guests of Mr. and Mrs. Roy Cole and family.

Help Fight TB

PROTECTING YOUR  
CAR'S MECHANISMEvery now and then something  
new comes along that is so reason-  
able and sensible that it is a  
wonder why it wasn't thought of  
long ago. For years when car  
owners had the grease changed in  
the rear end of their automobiles,  
the garage or service station oper-  
ator had simply drained out the  
old grease and pumped in new.  
Now a method of cleaning out all  
the metal filings and sludge that  
gathers in the bottom of the hous-  
ing, and around the gears was  
vapour, which works extremely  
well, and leaves the gears and the  
inside of the housing completely  
clean.After driving for months there  
is an accumulation of dirt and  
sludge that should be cleaned out  
before new grease is pumped into  
the housing. Dirt and bits of metal  
going through the gears constantly  
must in time create considerable  
wear, especially in the modern hy-  
poid gear differential.Why didn't someone think of this  
years ago? Possibly no quick and  
completely efficient method has  
come up until now.

## Now's The Time To Start Operating . . .

We reprint elsewhere in this issue a letter received from the provincial department of municipal affairs by towns and municipalities throughout the province, as regards winter work. It explains in full just how much assistance can be expected from the government for worthy projects. Wouldn't it be nice if Didsbury could help create more job opportunities by maybe working on the new curling rink during the winter months. It'd help those in need of work, it'd help us keep pace with other sporting centres along the line, it'd also help "our town" in more ways than one. We trust the town council are checking this offer closely and are geared for action. Sounds good from where we sit.

## Just For The Record . . .

'Twas noticed in the daily journals last week that five centres in Alberta have received the go-ahead sign from the federal government for the erection of new post offices. We have been carrying the apparently misconceived idea in our mind that "our town" was one of the next in line for a new mail distribution unit. What a great many people hereabouts would like to know is: just who do you have to contact and how do we go about getting federal help and consent for the much-needed addition to "our town". The carrier pigeon we sent out with the same question has failed to return — maybe it's following John Diefenbaker around the world — maybe it'll take more than eighty days to get an answer . . . maybe, maybe, maybe!

## When Do We Collect . . .

... our gas and oil dividend cheque from the provincial government for this year? Scores of people are asking this question and yours truly is one of them. We'd like to have the 'donation' in time for Christmas so we won't have to be out scratching with the sparrows for a Yuletide meal. Sounds to us like it's part of the five-year plan — wait, wait, wait — it's coming, some day.

## So True, So True . . .

Just another famous quote we picked up while passing by: "In most instances, all an argument proves is that two people are present."

## Guest Editorial

### HOME IMPROVEMENT LOANS.

The provincial government is to be congratulated on its new farm improvement loan plan. Little information has been released to date, but it will assist farm people in improving their farm homes, then it is well worthwhile. While farmers have made great strides in improving the standard of their homes over the past decade, far too many are still in poor houses with few of the modern conveniences.

It has often been pointed out that if all the farm homes in the province could be moved into one city, slum conditions of the most serious order would be created. Some of the low standard of homes can be attributed to a lack of pride by the owners, but much is the result of lack of finances.

It is to be hoped that the rate of interest on loans will be low enough, and the terms of repayment so lenient enough, that the loan plan will accomplish the purpose for which it is intended.

It is understood that the government will guarantee up to 90 percent on borrowing up to a maximum loan of \$2,000. Repayment may be made over periods of up to ten years. Loans will be restricted to improvements to the farm homes.

— The Budget

## Winter Work . . .

(Continued From Front Page)

9. Priority is to be given to projects in areas where unemployment is particularly high.

10. Projects to which the Canadian government is contributing under other agreements or arrangements will not come within the scope of this plan.

11. In addition to exercising any usual functions in authorizing municipal projects, the provincial government will be responsible for approving those winter work projects proposed by municipalities which come within the program. The provincial government will forward particulars of each winter works project as approved, to the Canadian Department of Labor. After acceptance of a project by the government of Canada, the provincial government will be informed and will notify the municipality that claims may be made in respect of the project as indicated below.

12. Claims for reimbursement by the government of Canada will be audited by the provincial auditor or an auditor designated by him.

13. Audited claims will be submitted to the Canadian Department of Labor after certification by the appropriate provincial minister. This certification will be to the effect that the direct payroll costs have been incurred on winter works projects which meet the conditions set out above.

14. Audited and certified claims for reimbursement will be submitted to the Canadian Department of Labor not more frequently than once a month. All claims must be forwarded not later than July 31, 1959.

15. The provincial government will obtain such additional information as may be required from time to time by the Canadian minister of labor.

In further elaboration of the above terms, I am advised by the Federal Department of Labor, that as a result of a request by the provincial government, projects such as: clearing, rock work, crushing and stockpiling of gravel and bridge building, will be accepted as winter works projects provided that any such projects come within the scope of item (3) above. Direct labor costs may include usual deductions such as: holiday pay, Workmen's Compensation, income tax, etc.

Direct payroll costs of an accepted project may be approved in those cases where employees are not now unemployed but would be unemployed if the winter work project were not proceeded with.

As payments to year-round employees will not be included as part of the direct payroll costs, neither can the payroll costs of year-round employees of contractors be included.

If approved projects are to be carried out by contract, it will be the full responsibility of the municipality to see that the contractor fulfills all terms of the offer in order that reimbursement of direct payrolls be made. In this connection it is suggested that tender notices include the pertinent terms of the plan in order that a contractor, entering on an approved project, may be made aware of the terms of the scheme, which terms should form part of the contract entered into with the successful bidder.

Application for approval of winter works projects must be made to the Deputy Minister of Municipal Affairs. On receipt of this request for approval of winter works projects, application forms will be forwarded to you for completion and return.

To assist municipalities in financing approved winter work projects, the Government of Alberta

Service Board

**CIVIL DEFENCE:** Several years ago the Provincial Department of Agriculture took on the job of administering the Civil Defence effort for the Province of Alberta. All the districts, agriculturists and field supervisors in the province were called in to take a course in the field of radiation monitoring. That is how to handle meters and instruments, and the dangers and safeguards to employ following the explosion of nuclear weapons.

The provincial government considers that we will be key men to safeguard, not only humanity in the rural areas, but also food stocks in the form of livestock, crops, garden stuff, etc. Even though we live in a rural area we could very easily be contaminated by the radioactive "fallout" from an explosion which might occur 200 miles away. It is the dust and small particles of debris sucked up into the stratosphere and carried downward that becomes highly radioactive. This material settles back to earth like an invisible snowstorm, carrying with it the dangerous radioactivity.

During the week of December 8 to 12, we are holding a school in Didsbury on radiation monitoring. We will be teaching the candidates exactly how to handle survey meters and giving lectures on this interesting subject. These men are volunteers and in many cases the captains for Banff vaccination who are taking the course. Vacancies for the course are limited to 12 candidates, due to the limited number of instruments we have to work with.

Next week I will tell you more about this phase of work.

We will loan to municipalities a maximum amount of \$4,000,000 provided that loans will only be made where the approved project would not normally be part of the 1959 capital works program. The loans will carry an interest rate of 5% and application for same may be made to the Deputy Provincial Treasurer, Legislative Building, Edmonton, after approval has been received for the winter works project.

(Signed)

A. W. MORRISON,

Deputy Minister

THE  
Homemaker

By HELEN HOWARD  
District Home Economist

Hello Friends  
The red holly berry is the favorite  
for Christmas decorating, but the  
red cranberry is the King of Christ-  
mas feasting.

For your Christmas breakfast  
table:

Cranberry Conserve  
(Makes Seven 6 Ounce Glasses)  
1 quart (about 1 lb.) cranberries  
2 oranges  
2 cups water  
3 cups sugar  
3/4 cup raisins, chopped  
1/4 cup chopped nuts

To prepare fruit, sort and wash  
cranberries, add water and cook  
until tender. Press cranberries  
through a sieve. Wash oranges and  
grate peel. Remove membrane,  
seeds, skin, chop. Combine sieved  
cranberries, raisins, chopped orange  
and grated peel. Cook slowly for  
10 minutes. Add sugar and boil-  
rapidly, stirring constantly until  
thick — about 15 to 20 minutes.  
Add nuts and stir well. Remove  
from heat, skim and stir alternately  
for 5 minutes. Ladle into hot con-  
tainers and seal immediately. For  
convenience, label with name of  
product and date. Store in a cool,  
dry place.

## Cranberry Salad

2 cups raw cranberries, put  
through chopper  
1 cup crushed pineapple  
1 orange, grated rind and juice  
1 1/4 cups white sugar  
Leave overnight. Next morning,  
in 2 cups water, dissolve 2 packages  
Knox gelatine. Let cool. Add  
fruit and pour into individual  
moulds or large mould; set in re-  
frigerator or other cool place.  
Serve on lettuce, to accompany  
turkey, either cold in slices or  
chopped and mixed with salad  
dressing and celery.

## Christmas Cranberry Punch

6 cups cranberry juice  
1/3 cup lemon juice  
2 cups grapefruit juice  
1 cup orange juice  
Make sugar syrup by boiling 2  
cups sugar with 3 cups water for 5  
minutes. Mix and chill. Just be-  
fore serving add 1 quart ginger ale.  
Pour over ice cubes and serve.  
Yield: About 45 small punch  
glasses.

To obtain cranberry juice: Sum-  
mer 1 1/2 pounds (3 1/2 cups) cran-  
berries with 10 cups water for 10  
minutes; then strain. Remaining  
pulp may be used by sweetening it  
and using as a filling for a biscuit  
sauce or used in the bottom of  
the pan; pour over ready mix bet-  
ter and serve as an upside cake.

## Cranberry Nut Loaf

1 1/2 cups raw cranberries  
1/4 cup sugar  
3 cups sifted flour  
3/4 cup sugar  
4 tsp. baking powder  
1/2 tsp. soda  
Grated rind of 1 small orange  
1 tsp. salt  
1/2 cup chopped nuts  
3/4 cup evaporated milk  
1/4 cup orange juice  
1 egg  
2 tbsp. melted butter  
Wash cranberries, then cut in  
slices with scissors and mix with  
the 1/4 cup sugar. Sift flour with  
the 3/4 cup sugar, baking powder,  
soda and salt into a medium size  
mixing bowl. Stir in grated orange  
rind and nuts. Combine cranber-  
ries with flour mixture. Stir ev-  
aporated milk into orange juice.  
Add egg and melted butter and  
stir to mix thoroughly, then stir in  
flour mixture. Turn into a well-  
greased 9 1/2 x 1 1/2 inch loaf pan.  
Bake in pre-heated moderate oven  
(350 deg. F) until done when  
cooked, about one hour. Let cool 5  
mins. in pan, turn out on cool-  
ing rack. Makes 1 large loaf.  
Serve immediately, or when cold.

## Nutty Notes

1. Nuts in the shell keep better  
than shelled nuts and unsealed nuts  
keep better than sealed.  
2. All nuts keep better at a cold  
temperature than in a warm place.  
If possible keep your baking nuts  
in the refrigerator.  
3. Nuts in vacuum-packed con-  
tainers keep longer than those ex-  
posed to air.

4. Shelled nuts keep well for a  
year in tight containers in home  
freezers. Buy nuts and baking  
fruit after the New Year when they  
are at their lowest price.  
Store in deep freezer.

5. Filberts, almonds and peanuts  
keep better than pecans and wal-  
nuts. It is very important to keep  
pecans and walnuts in tight con-  
tainers in a cold place. Exposed to  
warmth and air they are especially  
subject to rancidity.

6. Tight vapor-proof containers  
protect nuts from absorbing off  
flavors and moisture, and keeps  
them safe from insects.

## DID YOU KNOW THAT . . .

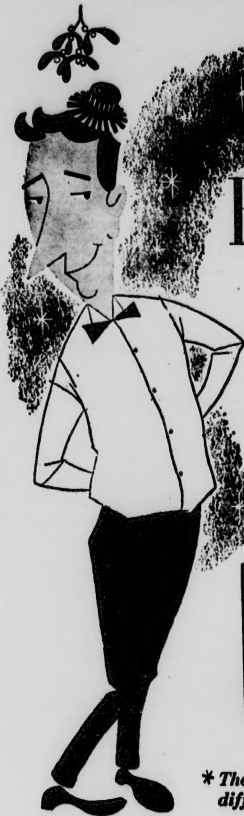

Tuberculosis is caused by a germ,  
the tubercle bacillus. The disease  
is preventable and curable.

## Squirrel Cage . . .

A man of Scottish descent was  
attracting much attention in the  
hotel lobby with his tales of ac-  
complishments.

"Well, now," said an Englishman  
at last, "suppose you tell us some-  
thing you cannot do and I will  
undertake to do it."  
"Thank ye," replied the Scot. "I  
cannot pay my bill here."

## FURY BECOMES TOP-LINE PLYMOUTH

The "Fury", Plymouth's well-known sport model  
has become the top line regular production model  
of the 1959 Plymouth lineup. Other lines will in-  
clude the Savoy, Belvedere and Sport Fury models.

Pictured above is the Fury 2-door hardtop,  
styling pacesetter for the entire 1959 Plymouth  
line.

The Fury line will feature a 313 cubic-inch V-8  
engine that has undergone extensive engineering  
changes designed to increase fuel economy and  
engine life.

Standard equipment on all Sport Fury models  
will be Chrysler of Canada's revolutionary new  
swivel seats.

## DISTRICT NEWS

### M.V.B.C. NEWS

(From Our Own Correspondent)

The last week has been a very busy one for all here. On Thursday evening and all day Friday a Sunday school convention was held at Cremona, in which several from the college took part. The convention was well attended by the Cremona and Bergen Sunday school staffs.

Mrs. Suder, Rev. and Mrs. Witt were guest speakers at Concor and Gimlet United Missionary churches on Sunday. They were representing the Women's Missionary Society cause.

The students served a number of quackeries during the past weekend. Groups served in Athabasca, Acadia Valley, Parkdale, Montgomery and May City churches. Long miles were covered in spite of the cold weather and students reported good services everywhere.

On Saturday evening the male quartette serving the school during the summer months sang at the Youth for Christ Rally in Calgary. This quartette is now composed of President Taylor, Rev. Will, Ormand Sherick and Ray Stauffer. President Taylor brought the message of the evening, and Phyllis Sherick accompanied them as pianist.

Tuesday of last week Rev. Simpson showed the film, "Crimson Shadow" in the chapel. This is a film on the encroachments of communism and is well worth seeing. It surely demonstrates the methods and dangers of the approach of this ungodly system and all of us should be acquainted with this danger.

Mrs. Florence Finlay spoke at the Mountain View Sunday school on Sunday morning. Her knowledge of the foreign field will be of great value to all who hear her speak.

Rev. Golden, who is holding services in Mountain View United Missionary church, will be speaking in chapel during the week.

The executive committee of the college met again on Tuesday evening to consider further advance on the president's home.

We are sure many of you are listening to the Good News program each Sunday morning at 7:30 over CKEL. This program is worthy of your support and attention. Miss Gladys Eby is the treasurer and reports that up to the present many friends have supported it sufficiently to meet the broadcast charges, with the exception of the month of November, which had five Sundays. Perhaps you could help a little.

### Westcott News

(From Our Own Correspondent)

Mr. Clarence Reinhardt accompanied a party of men on a hunting trip last week; included in the party were his son Don, of Calgary, and Mr. Joe White. It has been reported that "lady luck" was with them.

Mrs. Willie Bonner was able to come home from hospital last weekend.

Mrs. Dave Gilchrist and baby daughter, of Edmonton, visited with her family, Mr. and Mrs. Jack Robertson, at the weekend.

Mr. and Mrs. Gordon Ford and girls were Calgary visitors on Monday. Mrs. Bud Hayball was a city visitor the same day.

Westcott skating rink will be officially opened Sunday afternoon and in this connection the club solicits your co-operation; as per usual, pies are requested, which will be sold with the coffee, etc. It is understood the ice is ready but a few other small jobs have to be done to increase the pleasure and comfort of those who patronize the rink.

A new heating unit was installed in Westcott school last week. The old coal stove must have been there since the beginning of time and it carried many fond memories with it when it was replaced by a new "jet-ase" heating system.

### OREMONA NEWS

(From Our Own Correspondent)

(Intended For Last Week)  
 The curling season opened last Thursday with a closed bonspiel. Twenty rinks entered but the spell was interrupted by the warm weather.

Sylvia Bird is still in Didsbury Hospital and does not expect to return home this week.

Mrs. Gordon Reid is home with her new son.

Congratulations to Mr. and Mrs. R. Haggerty on the birth of a daughter.

Mrs. D. McBain returned home on Monday from a visit in Calgary. Mr. and Mrs. J. Keisgaard and boys were weekend visitors at the D. Young's home.

Several of the curling club ladies held a clean up day at the curling rink last week. Mrs. Norman Whitlow is president of the ladies.

The government auditors were out last Thursday to do their annual audit of the local credit union.

Anyone desiring a statement of their medical expenses covered by M.S.I. must write direct to Edmonton for same. For the address check with the office at Cremona.

(This Week)  
 The curlers resumed their bonspiel with the return of cold weather on Wednesday evening.

Congratulations to Mr. and Mrs. D. MacFarquhar on the birth of a daughter, Wednesday, Dec. 3rd.

A United Church Sunday school rally held in Olds last Wednesday evening was attended by some local teachers, including Mr. A. Reid, Mrs. M. Earle and Mrs. M. McBain.

The United Missionary Church was the centre of a Sunday school rally last week.

Miss Margaret Mock is visiting with her folks for a week, since she has been forced to give up her training at the beauty school. She expects to work in the Calgary post office next week.

The local Sunday school has arranged to send gifts to the United church home at Bonneyville for the children's Christmas. This is a very practical and much enjoyed by all concerned. Anyone who has not heard the details and would like to participate are asked to contact Mr. A. Reid.

o

### LIGHT YOUR WAY ...

... WITH BIBLE STUDY

The church has often been likened to a ship. In the early Christian era the church is continually set forth as a ship against which the personified winds are fighting, and the waves of the world are beating; but they do not succeed in crushing it.

Some years ago the great Titanic called "the floating palace", made her maiden voyage across the Atlantic ocean. Seamen were so sure of her perfect safety that they failed to equip the ship with sufficient life-boats. Then came the fatal night. We know the results: "she" sank, with a loss of some 1500 lives.

Like unto this is the magnificent ship of the world, loaded with the treasures of the world. But, when the final crash comes, it will bend to proud head towards the bottomless pit of the sea.

The Church of God, by comparison, is a small boat, but Jesus is in it. It is a life-boat, and will ride triumphantly over the dark waters and come safely into the haven.

You need the church and the church needs you. Jesus said: "If ye continue in My Word, then are ye My Disciples: indeed, and ye shall know the truth, and the truth shall make you free." This is the assurance the Church of God offers man: Truth and Life. Therefore, take heed to be and remain a member of the invisible church by a sincere faith in Jesus; adhere to a church which teaches the Word of God in truth and purity; do all in your power to maintain, promote and extend the church. Paul thus urges us all: "Examine yourselves whether ye be in the faith; prove your own selves." Yes, you need the church.

**Why Insurance Costs Are Going Up**

Automobile Liability Insurance payments are higher because Hospital costs and Doctor's fees are up, higher judgements for injuries.

Collision repairs to your automobile cost more because, wrap around windshields, tail fin assemblies, front fender with built in directional and parking lights, one piece welded and streamlined bodies.

**Little Items of Local Interest**

The local branch of the Crystal Daily came through with a few more ribbons to add to their collection at the recently completed Toronto Winter Fair.

Mrs. W. B. Schorner of Oke is visiting with her son-in-law and daughter, Mr. and Mrs. Wm. Blore for a month.

Rev. and Mrs. Alvin Traub wish to announce they will celebrate their 50th wedding anniversary on Tuesday, December 16th, 1958. They will be having 'open house' in the afternoon from 2 to 5 p.m. and at the Bible College from 8:30 in the evening. They will be glad to receive their friends. A good program awaits you.

ACI Jim Eiler is visiting at the home of his parents, Mr. and Mrs. A. Eiler. Jim has completed his course as an engine at Camp Borden, Ont., and has been posted Namao Air Base.

**DIAMOND ANNIVERSARY  
HELD AT U.M. CHURCH**

Last Sunday the United Missionary church celebrated its denominational diamond anniversary — 75 years of work for the Lord.

One of the special features was a quartet by some of the pioneer members. It was a joy for those present to hear these older folks sing again.

Next Sunday the Bible College students will have charge of the Sunday school and church services. On Monday, Dec. 22nd, the annual Christmas program will be held.

**WESTERDALE NEWS**

(From Our Own Correspondent)

Mrs. Muriel Ezzi and Mr. Bill Waley were Sunday evening visitors at the home of Mr. and Mrs. Bob Jackson of Innislake.

Nine members attended the Young Peoples' Club meeting held at the home of Mrs. L. Jones on Monday evening, when final plans were made for the seasonal dance on December 26th.

A snowy shower was held at the home of Mrs. Stan Jackson on Monday afternoon honoring Miss Muriel Ezzi, bride-elect for December. Nineteen ladies attended the shower at which the gifts given were groceries, wrapped in white tissue paper. They were placed in a decorated wagon bearing a big snow man. Lillian and Francis Reist brought the laden wagon in to Muriel and presented her with a shovel to remove the snow packages. Muriel thanked all for their gifts and extended an invitation to visit them soon.

**RELIGIOUS CENSUS  
TO BE MADE**

On Sunday, December 14th, a number of young people from the various churches of Didsbury will make a religious census of the inhabitants of the town of Didsbury. Three questions will be asked at each home, namely: the name, the number living in the home, and the religious affiliation of the members. This census is being undertaken with the full knowledge and co-operation of the various churches in Didsbury.

We trust that the people of Didsbury will also show their co-operation on this endeavor. The object of this undertaking is to carry out a "soul-searching" and to assist the various denominations to better serve its members.

**MELVIN NOTES**

(From Our Own Correspondent)

Ralph Symington of Cremona spent the weekend at the home of Mr. and Mrs. Lester Krebs. Mr. and Mrs. Jerry Symington were Sunday dinner guests there when they came to get their son.

Mr. and Mrs. Emil Krebs returned from Port St. John Saturday, where they visited with their daughter Olwen and family. They also visited Mr. and Mrs. Baum and family (nee Leslie Jackson), at Grand Prairie and Mr. and Mrs. Allen Krebs and family at Edmonton. The weather was very cold and they spent some of the time pulling the car to start it but they did very well to land in the ditch only once and that was on the slippery road near Whitecourt.

The mumps have been making the rounds again, the latest victims being Elmer and Nola Youngs and Pamela Brooks. The Gooding family had more than a siege of it, including Mrs. Gooding, taking a turn at two-week intervals.

—The Community Christmas concert will be held in the Melvin hall in Friday, Dec. 19, at 8:15 p.m. Good program. Free treats for the kiddies. 47-21c

**DIDSBURY W.I. HOLDS  
DECEMBER MEETING**

The December meeting of Didsbury W.I. was held at the home of Mrs. A. Eiler, with 16 members and one visitor present. Roll call was a Christmas gift for the exchange.

Mrs. A. Shannon will be a director for 1959, otherwise the same officers will remain in office for another year.

The five-minute talk was given by Mrs. Rathburn, who also read a citizenship paper for Mrs. B. Long on John Deffenbacher.

A Christmas cake will be raffled and it can be seen in the window at Folkman's Clothing store.

Secret Pals will be drawn for at the January meeting, which will be held at the home of Mrs. Ed Blain on January 6th.

**LATE CLASSIFIEDS**

**FOR SALE** — York boar, 2 years old in January; price \$50. M. H. Snyder, phone 1903. Carstairs for further information. 47-11p

To the party in possession of our black rabbit, floppy, we would like to see the rabbit comfortable, so please return and collect his house (Signed) Connie, Bonnie, and Cathie Miller, 1510-21st Ave.

**IT'S HERE** — If any young lad or lassie is short a blue winter hat with ear muffs attached, we have one. Two found in front of the Pioneer Office last week. Come in and see if it's yours.
